Advising and the State-wide General Education Core
Students matriculating after May 1, 2013, are eligible for the Statewide Transfer General Education Core.

Currently enrolled students may change their catalog year to Fall 2013 to be eligible.
Foundational Intellectual Skills

- Written Communication
- Speaking and Listening
- Quantitative Reasoning
Ways of Knowing

- Scientific Ways of Knowing
- Humanistic and Artistic Ways of Knowing
- Social and Behavioral Ways of Knowing
Learning Outcomes-Based

This general education core is NOT course-based!

It is learning outcomes-based and each institution will decide which course(s) it offers that meet the learning outcomes for the required 6 areas.
There are 6 competency areas that must be met by all (18 credits).

Each Indiana state educational institution may determine the distribution of the additional 12 credit hours of the STGEC in accordance with both the competencies of the Statewide Transfer General Education Core and the curricular policies governing general education at the institution.
Only coursework resulting in Advanced Placement credit, dual credit, and credit from regionally accredited institutions may apply to the Statewide Transfer General Education Core requirements.

Institutions may accept other forms of credit according to their own existing policies, but these hours will not count towards the requirements of the Statewide Transfer General Education Core.
A minimum GPA of 2.0 for the 30 hours of courses within the Statewide Transfer General Education Core is required to meet the standard for satisfactory completion.

A student who completes the STGEC could transfer a course with a “D” grade as long as their cum GPA is 2.0 or above.

HOWEVER…..
The Statewide Transfer General Education Core does not change any requirements for a major or other degree objective.

If any course within the Statewide Transfer General Education Core which is a requirement for a major or other degree objective at the receiving institution does not meet the grade requirement for the major, the receiving institution may require the student to repeat the course.
